

Super Saturday

The Horseheads Parks & Recreation Department is preparing for the 2014-2015 school year Super Saturday program. Session #1 will be held November 15, 22, December 6, 13. Session #2 will be held January 17, 31, February 7 (the 4th date is currently being negotiated with Horseheads High School). Each set of sessions is scheduled on Saturdays from 9:00 a.m. to 12:00 p.m. at the Horseheads High School. Classes are taught by high school students, thus, providing the high school student valuable work experience for future employment and/or college application.

The Super Saturday program provides youth, grades pre-K through 6, the chance to experiment with different interests through a variety of class offerings. Youth are able to register for classes that involve: Crafts, Sports, Arts, Science, and Cooking.

Each class meets for 55 minutes on each of the four (4) Saturdays per session.

Fee(s) per session per Participant are as follows:

\$20 for 1 class
\$33 for 2 classes
\$45 for 3 classes

If you are a parent that is willing to assist our high school student/instructors or if you would like to instruct a Super Saturday class, or would like to instruct a program/class not currently offered, please contact the Village of Horseheads Parks & Recreation Department at 739-5691 x1 or nnagle@horseheads.org.
