

HORSEHEADS P.B.A.

The Town of Horseheads Youth Bureau and Recreation Department would like to sincerely thank the Horseheads Police Benevolent Association for again sponsoring this year's fall edition of the Kids Chronicle! As many of you know, the Horseheads P.B.A is a very active force in the Horseheads community. The P.B.A. consists of twelve officers from the Horseheads Police Department. They are under the direction of President, Scott McGrain and Vice President, Seth Zawko.

Chances are if you have been out in the community, you have had the opportunity to see some of the events and activities that the P.B.A. sponsors. Some of these include the Horseheads and Notre Dame High School Project Graduations, the Horseheads Youth Bureau Annual Fishing Derby, Annual Youth for Youth Conference and Halloween Spooktacular, Horseheads Police Department's K-9 program, Horseheads Recreation Sports League Team Sponsorships, Teal Park Summer Concert Series, local community members who have fallen on hard times and students invited to out of state conferences. The P.B.A. truly goes above and beyond in giving back to the community. President, Scott McGrain and the rest of the P.B.A. officers would like to thank all of the support and donations they have received and do receive from the community. Without the backing of their dedicated supporters, the P.B.A. could not give back to the community all that they do.

The Horseheads P.B.A. truly enjoys seeing the positive outcome from all that they do in the community. The support that the community provides is reciprocated by the P.B.A. through their generous redistributing of all the donations they receive.

The Horseheads Youth Bureau would like to personally thank the Horseheads P.B.A for all of the support that we receive from them throughout the year. If you see a member of the Horseheads Police Benevolent Association or the Horseheads Police Department out in the community, please take the time to thank them for all that they do in the community and for the outstanding support they provide.

If you are interested in donating or finding out more about how you can support the Police Benevolent Association, feel free to contact Scott McGrain at the Horseheads Police Department at (607)-739-5669.

Elmira Heights P.B.A.

The Horseheads Youth Bureau is proud to have a great relationship with many organizations in the community with the Town of Horseheads, Village of Horseheads and the Village of Elmira Heights. The Town of Horseheads Youth Bureau is proud to announce that this year we have two great sponsors in putting out the newspaper, with their continued contributions, we are able to provide the most to the community!

The Elmira Heights PBA is a not-for-profit organization that is made up of 8 active Elmira Heights Police officers. The PBA is funded by a solicitation drive that takes place from December thru April every year. The money that is raised is used to fund various programs in the Village of Elmira Heights. The PBA has put on a Halloween Event in each of the past 20 years. The PBA has been a loyal sponsor to many of the Elmira Heights youth sports leagues by sponsoring teams, billboards or individuals going to summer camps. The P.B.A. have also sponsored youth teams in Horseheads and West Elmira in the past. A Boys State representative has been picked and sponsored by the PBA for many years and continues today. The P.B.A. is also a proud supporter of the Thomas A. Edison High School and the Cohen Elementary and Middle schools. A couple of our members are part of the Lunch Buddies program at Cohen school where they get to eat lunch with a child a couple times a month.

The PBA helps sponsor the Brad Sanford run in the Heights and the Andrew Sperr run in Big Flats that is in memory of our fallen Police brothers. Once a year, the PBA hosts a golf outing for the associate members of the organization. A Captain and Crew Golf Tournament takes place in the morning with an outing of food and raffles after. The golf tournament is held at Mark Twain Golf Course in late August each year; the P.B.A. was extremely happy with the results of this year's turnout. The Elmira Heights PBA takes special Pride in the Village and all of its programs and activities and hopes to continue this service to the people for a long time to come.

The Village of Elmira Heights Police Department was started in 1902 with the creation of the P.B.A. in 1968. Since the creation of the department, there have only been 60 full time officers. The P.B.A. is in place as a union, yet they are also dedicated to the community they serve. The department is as close and tight knit as the community they serve and protect. Nearly every officer is involved with the sports leagues and teams that the P.B.A. sponsors. In addition to stopping by the fields to watch games, the P.B.A. is proud to announce that they are the main sponsor of the Wooden Bat Little League Baseball Tournament. The P.B.A. is proud to help the community in any way possible! They are extremely proactive and are happy to see all their work pay off with positive reactions of community members! If you see any of the Elmira Heights Police Officers, please take the time out of your day to thank them for all that they do! With their continued dedication, it makes our communities a better place to live!
